

The WordPress.com Team prepared a 2014 annual report for my blog Following Hadrian. I love how this report compares the number of views of my blog to the number of people seeing an exhibit at the Louvre!

The Louvre Museum has 8.5 million visitors per year. This blog was viewed about **110,000** times in 2014. If it were an exhibit at the Louvre Museum, it would take about 5 days for that many people to see it.
